# चिन्मया व्रिन्दवन

Chinmaya Mission was established in India in 1953 by devotees of the world-renowned Vedanta teacher, His Holiness Swami Chinmayananda. Guided by his vision, devotees all around the world formed the nucleus of a spiritual renaissance movement that now encompasses a wide range of spiritual, educational, and charitable activities, ennobling the lives of thousands in India and across its borders. Chinmaya Mission exists to provide individuals from any background, the universal wisdom of Vedanta and the practical means for personal growth and development, enabling them to become positive contributors to society. Our motto is: "To give the maximum happiness to the maximum number of people for the maximum amount of time".

We are the Vrindavan center located at Cranbury, NJ USA and part of this global educational and service-oriented spiritual and charitable organization. Swami Shanthananda ji is the resident Acharya (teacher) here in the NJ, USA.

Swami Shantanandaji is well known for his unparalleled devotion to Lord Krishna and for his absolute devotion to his Guru, Swami Chinmayanandaji. True to his devotion to his Guru, Swamiji himself traveled extensively, taught near and far, and has devotees in every part of the world. As every devotee that has interacted with Swamiji knows, he is a member of everyone's family, and everyone is a member of his Chinmaya family. Swamiji is an authority on the scriptures, yet remains unassuming and easily approachable as he connects with people across generations, languages, and faiths. Swamiji was instrumental in building the Chinmaya Mission center in Hong Kong and many centers in the USA. He is the current resident Swamiji at the Chinmaya Mission Tri-State Center. He is also also the president of Chinmaya Mission West and oversees the activities of over 60 Mission centers.

Chinmaya Vrindavan offers an array of study forums and activities in English based on Indian scriptures for adults, children, youth (18-35 years) and senior citizens (60+) that empower and transform individuals. Chinmaya Vrindavan is run entirely by volunteers and most of our activities are supported by the contribution of individuals and generous sponsors. Chinmaya Vrindavan conducts regular classes for all ages. These classes take different forms including talks by our Swamiji, interactive classes for children and teenagers, study groups and workshops. We also offer classes in Sanskrit, social service projects, devotional singing, and yoga and celebrate a range of festivals and events throughout the year.

The Balavihar for children of all ages is a wonderful and enriching program conducted by Chinmaya Vrindavan. The program offers weekly spiritual Vedanta classes for children in their formative years. The classes are categorized by varying age groups, start and end with Sanskrit prayers, and include chanting, bhajans, stories of devotion and morals, interactive discussions, and creative games. The classes are based on specially designed dynamic curriculum, with the aim of accomplishing the Balavihar rationale set by Swami Chinmayananda:
